Attached are the revised REACH letter and the draft plan. Mary and others on CRPG have reviewed. I have reviewed. The next step is for you to review and the send off to the Chief of Staff, Ethan, Asha, and John.

I am unsure of the timing of the meeting but it is my understanding that this is on a tight turnaround.

Let me know if you have any questions.

It doesn't have to be during this same phone call, but I'd also like to touch base on the request for a meeting with the Administrator on Title VI issues more broadly, if you have any additional information or can be helpful.
